X Lani,
 You are a wonderful
 girl. You have made
 some tons of fun. I will
 remember you forever.

Love,
 X Lani

P.S. Good luck in college

My dear Berner,
 I am so glad to hear
 you are having a good
 time. I hope you are
 having a great time.
 I am so glad to hear
 you are having a good
 time. I hope you are
 having a great time.
 I am so glad to hear
 you are having a good

 having a great time.

Sherry Eddins

Sherry,
You don't know how
glad I am we got to
be such close friends this
year (if I didn't know
you I would have walked
to school every day). I'm
sorry we won't get to be
roommates next year and
pop-pop corn but I'm sure
you'll love Henderson. You
and Don have a
great summer.

Nancy Robbins

Sherry,
It's been fun
having gym with
you this year.
You really are
a great girl to
know & I wish you
and Don the best
of luck.

Sherry,
It's been great
being in two of your
classes this year.
I hope you have
a great year
at college.

Sherry
You're a darling
girl. It has been
fun knowing you
this year. I
love you.
But I don't want to
lose you.

Sherry -
You're a naturally
warm person and
I was so glad to
have gotten to know
you better in English.
Good luck next year.
Cathy Wallace

Sherry,

This has really been fun, hasn't it? It's been sort of wild, too. I have really enjoyed knowing you these few months.

I hope we'll be able to get together sometime when school is out.

Good luck always and try not to forget all the wild things ~~and~~ we did and said. (Honor + Fam. Liv.)

Love ya!

Sherry,
Can't believe we've
made it through typing
this year, with all our errors,
frustrations and student teachers.
In spite of all, it's been fun.
Best of luck always.
Love ya,
Cathy Gondoy

Sherry,
Too bad on my part
that we've never been able
to get together. I still want
to very much and always
will. Just don't get hurt
by the Barti-King.

Love You

What is the city

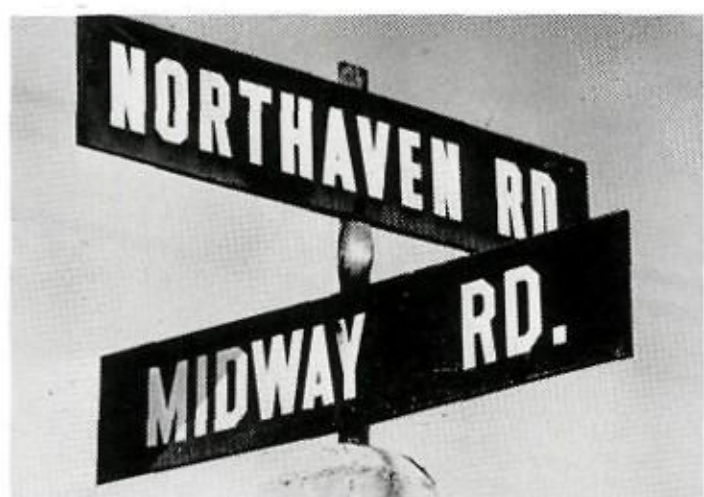

but the people?

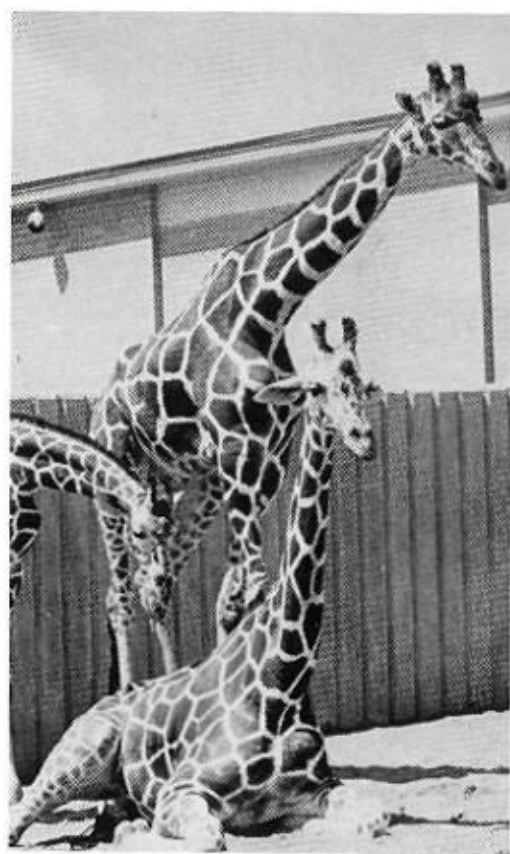

Shakespeare

The earmarks of a city—skyscrapers, expressways, industrial sections, and suburban housing developments—are not the essence of a city, but only the tangible outcome of the perseverance of many men. The city is the product of a variety of people: insurance and oil executives, store managers, bus-drivers, politicians and salesmen. It is instinctive to human nature to band together in societies, tribes, or cities; subsequently the community sets up public schools in hope of a more diverse and broader education. The students will, in their turn, reimburse the city by making use of its opportunities and by spending there their talents and abilities.

My happy
Best of luck

Dedication

Mr. Tom Talley

Because of his complete devotion to the students and faculty of Thomas Jefferson, we, the annual staff, dedicate the 1965 *Document* to Mr. Tom Talley. Besides coordinating the college testing program, acting as faculty sponsor to the Key Club, organizing and supervising the Science Fair and teaching basic and advanced Biology, Mr. Talley finds time to attend all school sponsored dances. Mr. Talley typifies the highest caliber of teachers in Dallas with his cheerful personality and interest in the complete education of students.

Members of the administration are faced with the challenge of guiding and instructing a large number of students and at the same time retaining communication between the teacher and the individual student. Teachers prepare students academically for their future vocations and for their roles as citizens of the community.

ADMINISTRATION

Board of Administration

The chief function of the Administrative Staff of the Dallas Independent School District is to insure a classroom atmosphere where teaching and learning may proceed as efficiently as possible. Each member of the staff, pictured here, is in charge of a subdivision of the total School Administration. Recommendations, programs, and improvements are channeled through the Superintendent of Schools to the Board of Education for approval or disapproval.

Row one: Dale Douglas, Assistant Superintendent in Charge of Business; Dr. W. T. White, Superintendent in Charge of Administration; Dr. Frank L. Williams, Assistant Superintendent in Charge of Instruction; *Row two:* Dr. E. D. Walker, Assistant Superintendent in Charge of Personnel; Hollis Allen, Assistant to Superintendent; Don E. Matthews, Assistant Superintendent in Charge of Special Services; C. C. Miller, Assistant Superintendent in Charge of Organization; Robert H. McKay, Assistant Superintendent in Charge of Administration.

Board of Education

The Board of Education for the Dallas Independent School District is the legislative and policy making body for the 350 sq. mile district. Within this responsibility there is a problem of providing money to operate, maintain, and supply 170 school plans throughout the district. Members of the Board of Education are non-paid citizens who serve from a sense of civic duty. The Board considers the Superintendent of Schools the executive officer whose recommendations for the maintenance and operation of the schools are considered and acted upon at regular meetings.

Mr. C. C. Smith, M.A. Principal

Mr. Smith is now completing his second year as principal of Thomas Jefferson. His previous training and experiences have greatly aided him in guiding T. J. in such a fine manner. He has had experience as a teacher, Naval Officer and principal of other Dallas schools. Keeping Thomas Jefferson High School running smoothly is a full time job, but when Mr. Smith does find a few leisure moments, he usually spends them fishing in East Texas.

Mr. Smith looks over last year's annual with Mr. Parrish, Mr. Malone and Coach Kirk.

Mr. J. H. Malone, M. Ed. Assistant Principal

Mr. Malone is now completing his second year as Assistant Principal. During these two years he has become well acquainted with the teachers and students at TJ. His duties are many and varied, consisting chiefly of aiding Mr. Smith in the administration of the school. Mr. Malone has been a great asset to Thomas Jefferson.

Mrs. Edith Cooper, M.S. Counselor for Pupil Personnel

One of the most important people at Thomas Jefferson is the Counselor for Pupil Personnel, Mrs. Edith Cooper. Mrs. Cooper has been at Thomas Jefferson for eight years and has been well known and well liked by each graduating class. In addition to Pupil Personnel work, Mrs. Cooper handles the American Field Service Student Program and is a very close friend of T.J.'s A.F.S. Students each year.

Counselors

The Counselors at Thomas Jefferson assist students with their choices of courses. College test scores are compiled and colleges are recommended for some students, while vocations are planned for others. The personal attention of the Counselors helps the students at Thomas Jefferson make the decisions confronting them.

School activities play a most important part in Rebel life. Throughout the year, outstanding TJ events have linked Jefferson with the city of Dallas. The tremendous spirit of Jefferson echoes throughout the community, and this spirit will develop into civic pride for the city of Dallas.

ACTIVITIES

September Brings School . . .

The "Rebel Rukus" provided an opportunity for students to meet new people while having an enjoyable evening.

At the opening of the new school year, students looked upon the year as a time of learning, fun, and many accomplishments. A football assembly and game with Carrollton High School started the year's excitement. The

next evening brought the first dance of the year, "Rebel Rukus." The arrival of the Beatles, a most popular English singing group, led many students to Dallas' Memorial Auditorium for an evening of amusement. Thus, the year began, and it promised nine wonderful months of enjoyment and learning.

The football team was introduced to the student body at the first pep assembly.

AFS Students Strengthen World Ties

Through the American Field Service, Thomas Jefferson High School gains much knowledge from its exchange students. This year TJ has been very lucky to have two AFS students: Luis Meija' from Guatemala and Debbie Dodd from England. These two have learned during the year of the American way of life, and, in turn, they have taught of their customs to Jefferson students.

In the fall of the year, the process of choosing the AFS students begins. Many applications are turned in and local committees start to interview prospective exchange students. Then, in the spring, the AFS'ers for the coming year are selected and they are placed with care in their future American homes.

Thus, the bonds of world friendship are strengthened through the American Field Service.

Dear Rebels,

This has been the most wonderful year of my life! I think many of you know this because I have talked to you, but I have not told you what has made it so wonderful. It was you, every one of you, who have welcomed me and initiated me into the mysteries of the Rebel customs.

So many of the Rebel traditions had to be explained to me, and always you were there laughing with me. But, as well as this, I have made many friends, so many from this enormous school. I hope that these friends will remember me as I shall always remember you. I also hope that you will remember the things that I told you about England.

The main reason for my being here is to increase world understanding. Now I see that this year has been a pebble in a pool and I will go home and remember this year, and I hope you will go to college and always remember what you have learned.

Everything has been too perfect, and I have so many people to thank. Special thanks go to the Bensons who gave me my second home. Many thanks to the school and all of you who have given me a second home and a second country.

— My love and thanks to all of you,
Debbie

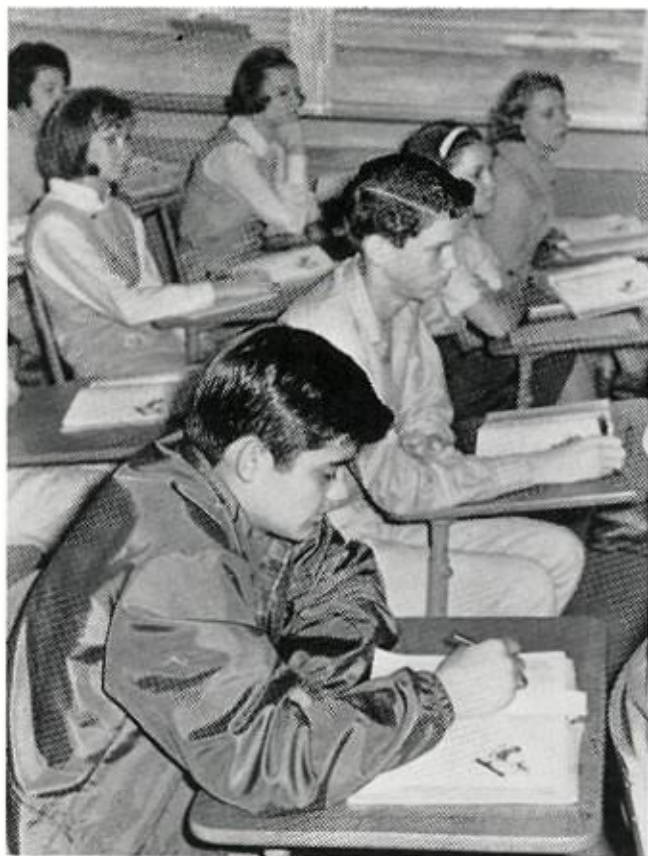

Dear Rebels,

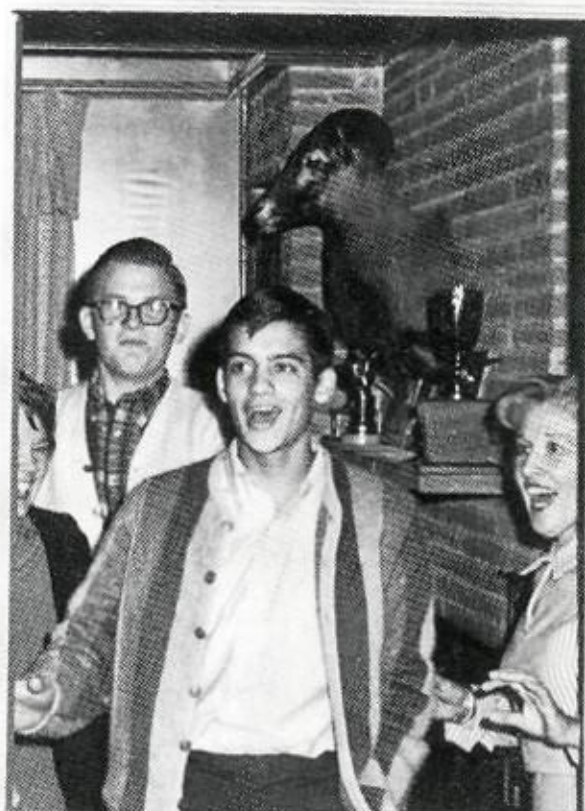

It is hard to express in a few lines what I feel. This year, thanks to all of you and such a wonderful family as the Leggs, has become the most wonderful of my life. I want you to know that the experience of being a Rebel, attending such a great school as TJ, living and sharing a North American's family's daily life, and having the privilege of your friendship, will not be erased by time. This year of study and experience in Dallas will always be a living memory to me. This year has been more than something superficial; it has been like a little bridge between our countries, a bridge of understanding that will last forever.

A new feeling was born in my person to live forever. This is a feeling of friendship and loyalty toward TJ, Big "D", you Rebs, and all the North American people in general.

Your true friend, Luis

October Electrifies Rebel Spirit

The Concert Choir found fun in song at the opening choir party.

October brought to Thomas Jefferson seriousness at report card time, fun at the choir party and at the exciting State Fair of Texas, and responsibility in the form of an impressive safety assembly and car rodeo. In this month, students acquired a serious attitude toward their studies and realized the importance of education to the future of Dallas and all America.

At the Safety Assembly, the Rebels were impressed by the importance of safety in driving.

November Mixes Learning and Festivity

Many parents came to school to meet the teachers of Jefferson.

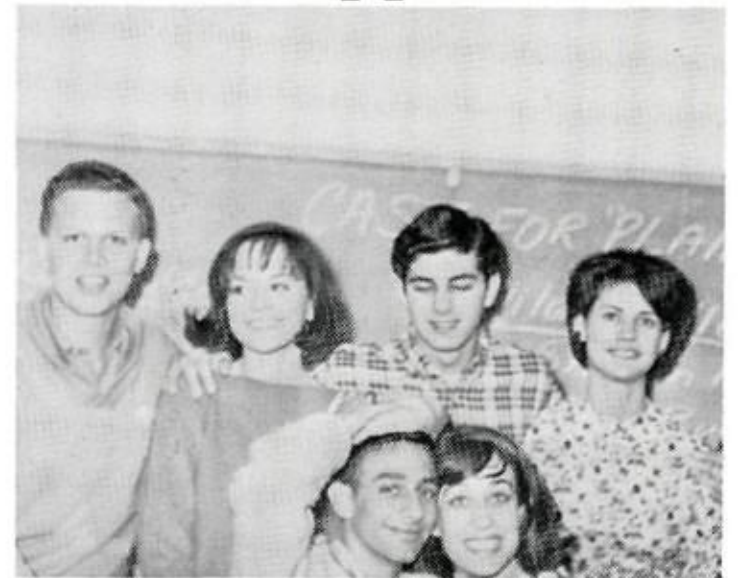

In November, the seniors placed their confidence in John Langston to lead the Senior Class of 1965 as its president. During this month, too, Jefferson students' parents learned what a day at school is like and they met their sons' and daughters' teachers. Also, many diligent rehearsals were held to get the Senior Play ready for production. At the end of the month, all took time to give thanks for the joys and countless blessings that Americans share.

Student Council Reveals Homecoming Nominees

Great excitement filled the air as the seniors met to choose the Homecoming Queen nominees for 1964. At a special senior assembly, each newly chosen nominee was given a beautiful mum, and, at the Homecoming game on November 13, each girl was presented to the student body and Exes.

Homecoming 1964

Presented in a beautiful setting of "Through the Looking Glass," the Rebel Homecoming was truly a gala occasion. Many Exes returned to Thomas Jefferson for a most memorable week-end, and they renewed many an old acquaintance. During half-time of the football game with Hillcrest High on November 13, the Homecoming nominees were presented to the student body and Exes by their fathers; also, each nominee received a beautiful mum from Rick Grandjean, Colonel Reb.

Both youth and adults filled the school auditorium the next evening for the coronation of the new Homecoming Queen. After each nominee made her bow to the audience, Sharon Edgar, the 1963 Queen, crowned Miss Esther McElfish the 1964 Homecoming Queen. Following the lovely coronation, all adjourned to the gyms for a most enjoyable evening.

Students Applaud Joyous Mood of December

Knoxie Chapin is overjoyed on finding out that she made the musical.

In early December, the leads for the spring musical, "Plain and Fancy," were announced. Also, during this month, sports filled the air as the football team held its annual banquet, and the Rebel basketball team began its zone competition. Highlighting the Christmas holiday vacation, the Rebels walked off with the Dr. Pepper Tournament crown for the fifth year in a row. And in girls P.E. classes, the girls learned of the tremendous skill that basketball takes. The Concert Choir presented a lovely Christmas program for the parents and performed it again for the Jefferson students and teachers.

Often called the best loved play in modern American drama, *Our Town* was presented by the Senior Class of 1965 in the month of December. In the setting of Grover's Corners, New Hampshire, *Our Town* portrayed the normal daily lives of ordinary people in a typical American small town. The author, Thornton Wilder, uses his skill to weave the characters in the play into the hearts of the audience. The play presented to the T.J. audience, a warm-hearted, simple view of life, which was most welcome in a world where people usually do not stop and think of their blessings in life.

Cast I, II, and III performed on December 3, 4, and 5 respectively.

Will Utay, as the State Manager, reveals the merits of Grover's Corners.

January . . . Exams and Relaxation

With the advent of exams, the Rebel activity pace slowed slightly. However, the basketball team continued their rapid progress toward the zone championship. The night following exams however, the Rebs showed their exuberant spirit and energy at the "Winter Holiday" dance sponsored by the Student Council.

Musical Rehearsals in Busy March

The Concert Choir sets the scene for a performance.

The Thomas Jefferson musical was held this year on March 24 through March 27. The musical was set in an Amish Community in which life is simple and peaceful. The Amish are admittedly "plain people," and they enjoy their life that way.

When two typical New Yorkers, Dan and Ruth, visit the town, they find themselves returning to a period of American history which has long since given way to automobiles, tractors, short skirts, contact lenses, and supermarkets. After re-uniting two estranged lovers, Peter and Katie, Dan and Ruth return to New York with a new outlook on life.

April and May Bring Joyous Memories

■ ■
In April term themes received final research.
■ ■

With the close of the year, all Rebels can look back on a year of great achievement. The accomplishments of the year 1964-1965 were many: scholastically, Thomas Jefferson made great strides forward, and in sports competition TJ had a most successful year.

With the coming of spring, many TJ students make new and exciting plans for higher education, and new students anticipate an upcoming year at Thomas Jefferson. Thus, spring sunshine sheds its rays and various paths stretch out in front of the Rebels as each builds toward his goal in life.

■
Industrious work in writing the themes followed.

Rebels Excel Throughout the Year

Students all over the nation participated in the National Merit Scholarship Tests in March, 1964. Eleven students from TJ achieved semi-finalist status by making exceptionally high scores on the test.

Each year during the Spring, National Merit winners are chosen from the semi-finalists on the basis of a second examination, citizenship, creative accomplishments, and school activities. National Merit Scholarships are awarded to the winners and NMS Letters of Commendation are sent to students who make excellent grades on the test.

A number of TJ students made many other outstanding accomplishments during the year 1964-1965. The DOCUMENT staff is pleased to note these accomplishments.

Jim Schenck, Senior, was chosen as one of four students in Dallas to attend the 1964 National Youth Conference on the Atom, held in Chicago.

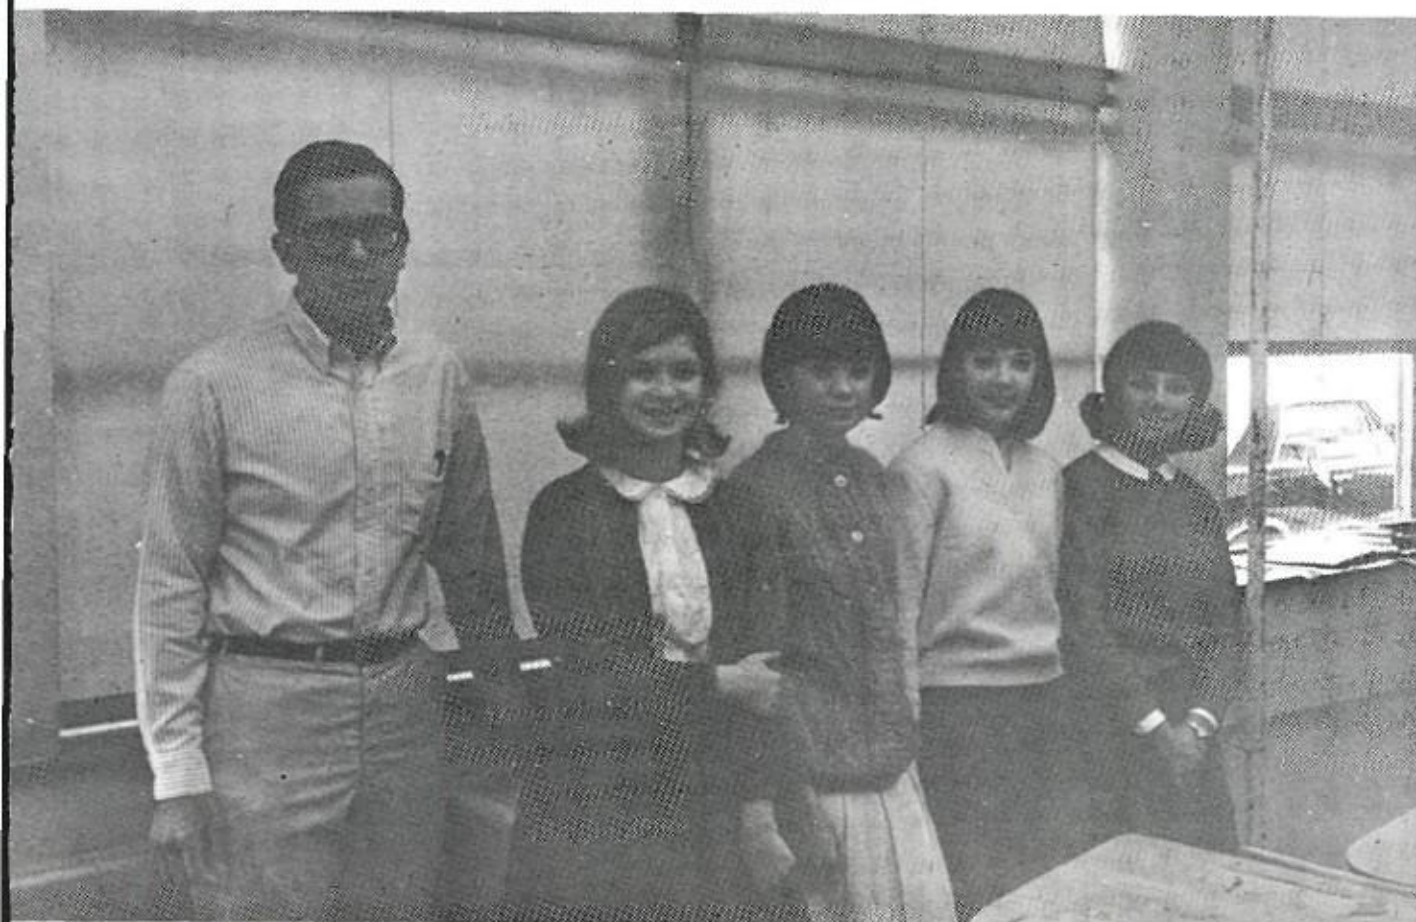

Eleven TJ students were chosen National Merit semifinalists. They are (seated), Mona Gardner, Charles Budde, Betsy Kernodle; (standing) Tom Van Parys, Arthur Schneider, Jim Schenck, Paul Echols, Joel Taurog, Chip Dameron, and David Rutherford. Not pictured: Pat Campbell who moved to Oklahoma.

Receiving National Merit Letters of Commendation were: (1st row) Gayle Fritz, Wendy Stevens, Virginia Williams, Martha Massie, Carol Neiman; (2nd row) Susy Royal, Jackie Brown, Janet Emery, Gail Melady, Marilyn Mascho, Linda Robbins, Susan Skinner, Signe Bjorkman, Sharon Bybee; (3rd row) Richard Grandjean, Richard Behymer, William Cozzens, Tom Collier, John Langston, Briam Moffat, and David Olan. Not pictured: Phyllis Crawford, Emanuel Fydland.

Cynthia Ley and John Godbey were winner and runner-up in the National Council Teachers of English contest.

These students won first, second, and third places in speech tournaments: Julian Williams, Cheryl Horne, Lolly Little, Debbie Green, and Carole Boyd.

Document Beauties

Carol Katz, Activities Editor, chats with Mr. Fulks and Mr. Baldwin before the tea.

Mr. Fulks interviews nominee Diane Grisham.

Nominated in the fall of the year by three home-rooms, each beauty nominee submitted a photograph of herself to the DOCUMENT Staff. Then, on February 7, the DOCUMENT Beauties were chosen at a tea at the home of Carolyn Feibel.

The three judges, Mr. Glen Baldwin, Mr. Tom Hughes, and Mr. Warren Fulks, judged each nominee on the basis of poise, personality, and facial beauty. The 1965 DOCUMENT Staff is proud to announce this year's DOCUMENT Beauties.

Christi Schramm and Gayle Johnson relax before their interviews.

Sherry,

I've had a good time in
Chorus even tho we got in
a lot of trouble. You're a
darling girl and loads of
fun. Bye for now this
summer and next year.

Love,

Candy Haynes

The students are the only reason for the existence of Thomas Jefferson High School. Great school spirit and scholastic ambition have been in evidence among the students in all three classes. This spirit and ambition will in time benefit the city, the state and the nation and will be continued proof of the value of our school.

Thomas Jefferson students group together in school sponsored clubs of eight main types: representative, honor, production, service, career, language, spirit, and interest. These clubs serve the dual purpose of supplementing the curriculum and linking TJ to the community.

ORGANIZATIONS

Jim Schenck, *President*

Student Council

Promotes
Student Opinion

Thomas Jefferson's Student Council, the representative voice of the entire student body and the co-ordinator of many student activities, is composed of the elected officers, members-at-large, and homeroom representatives and alternates. Under the direction of Mrs. Dorothy Brock, sponsor, the Student Council meets every Tuesday morning and strives to better student-teacher relations and to stimulate interest in school activities.

Many activities were sponsored by the Student Council during the fall semester. The Welcoming Committee welcomed all transfer students to T.J.; the Student Council helped in the orientation of sophomores on registration day. Our first dance, the Rebel Rukus, was held the first weekend of school in honor of the football team and all school organizations. An assembly in which Dr. Keith Baker of S.M.U. spoke was sponsored during American Education Week by the Scholarship Committee. The Homecoming Activities, "Through the Looking Glass", were sponsored by the Student Council, as well as the Thanksgiving Basket project.

During the spring semester the Student Council sponsored Teacher Appreciation Day. The Student Council was also extremely pleased to aid the administration in the execution of such projects as the P.T.A. Open House, and the very successful and rewarding Career Clinic Program.

Recognizes Top Students

"I pledge myself to uphold the high purposes of the National Honor Society to which I have been elected; I will be true to the principles for which it stands; I will be loyal at all times to my school, and will maintain and encourage high standards of Scholarship, Character, Leadership, and Service."

With this promise, new members are inducted each spring into the Thomas Jefferson chapter of the National

Honor Society. Membership denotes high scholastic standing, for each member must maintain a B average, with no grade lower than a C on the semester average in any subject. Although the Society rewards students for scholarship, it also recognizes character, service, and leadership as equally important qualities. This year the National Honor Society received 100 new senior members and 35 new junior members.

By some unknown miracle, from unorganized ideas, masses of class pictures, numerous club shots, and an abundant supply of casuals, the staff came through like clockwork (a very peculiar clock as it was always slow) with the 1965 edition of the DOCUMENT. The final deadline has passed . . . with a sigh of relief we settle back to gather our deadline-shattered nerves, watching our finger nails grow to maturity again.

But somewhere along the line we have managed to collect all of the scattered components into an annual. It is our sincere hope that this edition of the DOCUMENT proves as enjoyable to you as it did to us preparing it.

Document Award

With the publication of the first edition of the *Document*, a tradition was established to recognize those whose contributions to its success proved especially outstanding. The *Document Award* honors not only journalistic achievement, but also unselfish service and willingness to perform beyond that which is expected; in honor of the first seven winners, no more than seven elections in any one year will be recognized. It is hoped that each successive group will live up to the standard of excellence begun by the first, and continued by the following awardees.

The Reveille

Meeting deadlines and keeping an eye out for news have been just a few of the many responsibilities of the Reveille staff this year. The bi-weekly newspaper has endeavored to present a balanced picture of all aspects of student life at Thomas Jefferson with its news coverage, features and columns.

As a reward for its efforts, it received an All Texas Rating for superior accomplishment from the Texas High School Press Association, one of six in its class to earn this honor.

Stage Band Entertains T.J.

The music of Jazz . . . Swing . . . and Melancholy Blues throughout the halls . . . the Rebel Stage Band is rehearsing!

The Stage Band is composed of members of the Symphonic Band—16 guys and a doll. Though the group is small, they spend their time in making good music and learning theory and improvisation under the leadership of James Fox and student conductor Byron Parks. The band competes in annual stage band contests at SMU and Brownwood. The group also performs at various social functions and assemblies.

A crash of cymbals . . . a roll of drums . . . and the music of resounding brass and soaring woodwinds . . . it's the pacesetters in Dallas halftime entertainment . . . the Thomas Jefferson Rebel Band!

Under the direction of James Fox, the band has reached its peak with a total of 150 members, making ours the largest marching band in the city. With the emphasis placed on precision in a musical performance, the band performs at all pep assemblies and football games during the fall, as well as participating in various outside activities. These events include the Big D Halftime Show, the Torchlight, Key Club and State Fair Opening Day Parades, and the New Year Halftime Pageantry in the Cotton Bowl. In the spring, the band competes in the city and state-wide band contest, and sends members as contestants to the Solo and Ensemble and All Region and All State Band. Due to its large size, the band is divided into two groups, the Symphonic and Cadet Bands.

Girls Chorus

Displays Vocal Talent

In the fall of 1964, the Thomas Jefferson choral department added another select group of singers. The standard of musicianship and choral excellence so long a tradition of the Concert Choir became the goal of the forty-four girls who formed the new Girls Choir. At midterm, membership was swelled to sixty-five, and in February the choir was presented in what was undoubtedly its most exciting performance—a program for the Texas Music Educators Association Convention. Thanksgiving and Christmas concerts, assembly programs, and evening performances made the choirs' first year an active and memorable one.

Beautiful singing requires much practice.

Debate Club Provides Training in Leadership

Debate provides invaluable training in argumentation, quick responses, defending worthy principles, and attacking invalid ideas. It teaches the student to tolerate other points of view. Above all, debate provides training in citizenship that is not available in any other aspect of school curriculum.

TJ's newly formed debate club attended tournaments at Adamson, Denton, Bryan Adams, and Jesuit. This year's debate squad has started another fine TJ tradition. Membership is open to any interested sophomore, junior, or senior. The sponsor is Mrs. Agnes Mabry.

Make-Up Crew Aids

Thomas Jefferson's many dramatic and musical productions are given a professional touch by the Make-Up Crew, sponsored by Mrs. Agnes Mabry.

Equipped with everything from beards to lipstick, these girls accomplish such impossible tasks as transforming a high school senior into an elderly man or an Amish maiden for such productions as the senior play or the Concert Choir musical.

Members of this organization are chosen on the basis of neatness of work, skill in the art of make-up, and speed in application.

Thespians Go National

Uniting these assorted students is the spirit of the theater. The purpose of the Thespian Club has always been to promote an interest in dramatics, and this year such promotion has been avid, enthusiastic, and successful. For the first time the Thomas Jefferson Drama Department has become nationally affiliated. As National Thespians, new effort is required and greater excellence is demanded.

Also, due to outstanding competitive participation in state-wide speech tournaments, Thomas Jefferson has become a member of

the National Forensic League—a key sponsor of speech events across the United States. However, work on the local level demands the club's greatest effort. By participating in the Interscholastic League One-Act Play Contest and by presenting assemblies for the school, the Thespians build a community awareness of the potential of drama. This year has seen many victories for our speech department. These honors have not been gifts, rather they have come as the final roses after a long season of opening nights.

Y-Teens Encourage Fellowship Through Service

"To grow as a person; to grow in fellowship with people of other races, religions, nationalities; to grow in the knowledge and love of God"—these are the purposes of the Y-Teens.

These ideals were incorporated into the various projects which the Y-Teens undertook this year. The main activity was the adoption of an underprivileged family. During Thanksgiving and Christmas, Y-Teens completely stocked the kitchen with food. Clothes and toys were wrapped by members and given at Christmas.

Other projects of the year included a trip to the zoo for orphans, an Easter egg hunt for mentally retarded children, a talent show for senior citizens, the school weekly devotionals given every Monday, and various money-making projects to supply the needed funds for service.

Future Nurses Investigate The Field of Medicine

The purpose of the Thomas Jefferson Future Nurses Club is to encourage high school students to give service to schools, communities, state and national organizations, to foster development of student leadership, to investigate para-medical fields as a career, and to cultivate the essential qualities necessary for the chosen profession.

Under the guidance of Mrs. Childs, who serves as sponsor to the club, members participate in bake sales, parties for the aged and underprivileged, field trips and the annual delegational convention of the Texas Association of Future Nurses.

Cheerleaders - 1965

Sarah Hardy, cheerleader sponsor, gets excited over a game.

Thomas Jefferson's cheerleaders are eight people who have won the honor by election of leading the student body in cheering on the team. Being a cheerleader requires many hours preparing banners, wall signs, organizing yells and furthering the Rebel spirit at pep assemblies and games. The summer after the cheerleaders were elected, they attended cheerleading school where they landed a first and three second place ribbons in competition. With Miss Sarah Hardy as their sponsor, the T.J. cheerleaders do their most important job, which is always being at the game to lead those in the stands and to give the ever needed inspiration to the team.

Football '64

Trying to make a comeback after last year's losing season, the Rebels closed out the season by winning half their games. Injuries again plagued the Rebels, causing many not to give their full effort. Although losing half their games, the team showed their spirit in the fine Thomas Jefferson tradition.

Rebels Stymied by Carrollton, 14-7

Cobb Stadium September 11—Thomas Jefferson's mighty eleven were unsuccessful in trying to keep the Carrollton Lions from making good their entrance into AAAA football.

Rebel fans were on their feet, trying to encourage the team to prevent a Lions score during the first half. Their cheers were to no avail as Carrollton's Baker Montgomery plunged the needed one yard for the score. With 19 seconds left in the first half, Carrollton led the Rebels, 6-0.

After a well needed half time rest, the Rebels returned to the field to avenge the Lions' half time lead. Fielding a well placed throw, Bill Austin caught quarterback Mitch Worley's pass for the only Rebel touchdown. With the line's hard blocking, Dan Gilmore

easily booted the ball through the uprights for the conversion. Thus, with 2:12 remaining in the third quarter, the Thomas Jefferson Rebels led for the first time of the evening, 7-6.

The Rebels held the Lions to their 6 point berth for most of the second half. Then, versatile Baker Montgomery, Carrollton's ace quarterback, passed the Lions into scoring position. Now the Lions, with 3:33 left in the game, were set, for the final score showed that they had dumped the Rebels, 14-7.

Although this was just the first game of the season, the Rebels looked promising and powerful, with honorable mentions of the week, Mitch Worley and Bobby Hall.

"Gee . . . does it hurt?"

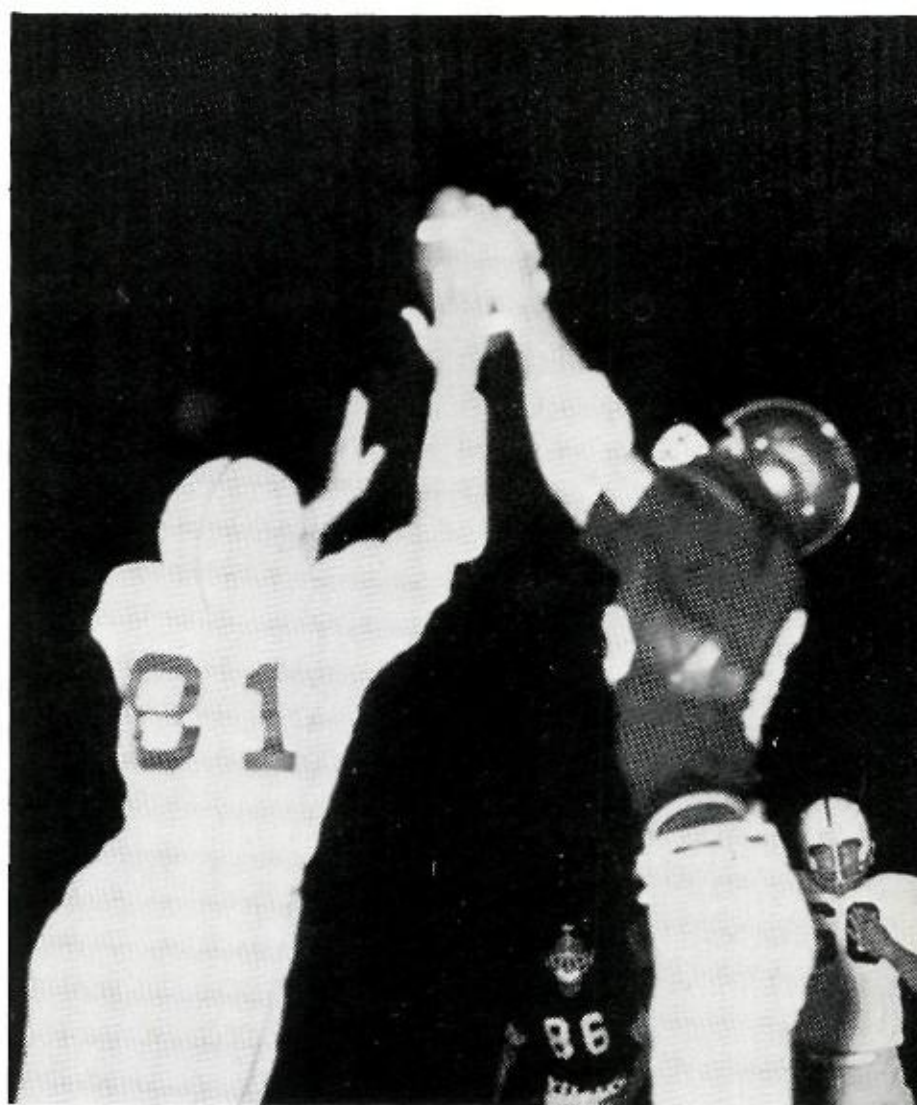

Skeeters Scat Before Red and Blue, 14-7

Mesquite, September 18—a dynamic offense headed by Mitch Worley led the Rebels to a 14-7 win over Mesquite. The Rebels' shining offense was held to a minimum until the remaining few minutes of the first half. With 56 seconds of the half remaining, Mike Wallace was downed on the 35 yard line. Bobby Hall carried the ball to the 1. On Joe Dowd's second attempt the Rebels led 6-0. Dan Gilmore converted for an added point.

Mesquite broke the Rebel lead and tied it early in the third quarter when halfback Jack Williams took a pass 73 yards. Gerald Carney made the extra point good.

Both teams fought for the ball until the final four minutes of the game. On a punt exchange TJ had the path set for the winning TD. Set back on the Rebel 42, Mitch Worley passed to Frank Cain on the Mesquite 20 for the final and winning touchdown. Dan Gilmore again did the extra point honors.

The season looked fruitful as Mitch Worley and Dan Gilmore received the Back of the Week and Lineman of the Week awards respectively.

Beau Foulk breaks up an intended Mesquite pass.

Rebels Cage the Leopards, 27-0.

Franklin Field, September 25—Thomas Jefferson's Rebels fired on the Adamson Leopards and bagged them with a 27-0 score.

The first Rebel touchdown came midway in the first quarter after a 76 yard drive. Frank Cain took a 12 yard pass from Mitch Worley, Reb quarterback, and extra point getter, Dan Gilmore converted. The score stood 7-0.

The Leopards took the game from there and made their one fierce attack of the night. Starting on their own 20, the Leopards made a marching drive to the Rebel 4 before being surrounded and stopped.

The second half brought a more determined Rebel team which ran wild in the fourth quarter. A major penalty late in a 53 yard drive helped the Rebels in scoring for the second time, when Mitch Worley pitched a 9 yard pass to Bill Austin. Dan Gilmore

again converted.

The next Reb score came after a 51 yard drive by an enthusiastic team as Mitch Worley ran a quick 8 yards over the goal line. Dan Gilmore split the up-rights and the score stood 21-0.

The Rebels recovered two Leopard fumbles with 3 minutes remaining and were in place for their final touchdown of the night. Observing a pass to the left zone, fans were upset when an illegal procedure call was made—thereby nullifying the score. The next play was a carbon copy, but the score was good. With that pass, James Enlow made his first touchdown of the season.

Dan Gilmore again received an honorable mention and Mitch Worley snagged an honor roll notation and an honorable mention.

T J Does It, 7-6.

Ft. Worth, October 2—Stunning the sportswriters and fans alike, Thomas Jefferson's Rebel football team beat the Ft. Worth Paschal Panthers, 7-6. At the start of the game the Rebels were the underdog. But to the amazement of the fans, Thomas Jefferson fought hard throughout the four quarters to beat the Panthers.

It was late in the second quarter when Paschal came to life. Scoring on an eight yard run, Danny Cushman helped the Panthers to their only score of the game. Dennis Hunt, a barefoot kicker, went wide on his extra point try. At the half Ft. Worth's Paschal led, 6-0.

After the well needed half time, T.J. came back to

score midway in the third quarter. Dan Gilmore eased the pigskin through the uprights and the Rebels were leading, 7-6. The rest of the game was a defensive battle for the Rebels as they held the Panthers for the rest of the night.

The Thomas Jefferson Rebels set a precedent, as this was the first time in nine years that a Dallas city school had beaten Ft. Worth Paschal. Rebel fans are proud of their team for their fine effort.

Again this week, as in past weeks, T.J. had honors bestowed upon it. Dan Gilmore was given an honor roll and honorable mention write-up for his fine efforts. Mitch Worley received an honorable mention award.

"Okay! Okay! . . . the next free ball is yours!"

Knights Trounce the Rebels, 25-6.

Sprague Field, October 9—The Bo Campbell jinx of last year was evident as the Knights of Kimball walloped the Rebels, 25-6.

Kimball took control early in the first quarter after making a stunning touchdown in eleven plays—the honor being done by fullback, Paul Carderella. Kimball again took the ball late in the first quarter and, on an 80 yard run around right end, Bill Owens of the Knights put Kimball in a 2 touch-down lead. "Ace" O'Rear kicked the extra point and made it 13-0 as the second quarter began.

Early in the second quarter the Knights again did what they were supposed to do and brought the score to 19-0. On their first completed pass of the night, Carl DeWeese passed to Jimmy Gillham, who had gotten past TJ's secondary on the 48 yard line. Jimmy Gillham, a quickstepper, carried the ball over the scoring line unassisted. The remainder of the second quarter was a mass of Reb incompleted passes and Kimball fumbles. The score stood 19-0 at the close of the half.

The Rebel offense put on a better show in the second half, and a defensive, but losing stand, with the help of Dan Gilmore and Jim Fuller started things rolling for TJ. Mitch Worley hit Frank Cain late in the fourth period for a 36 yard aerial score. Dan Gilmore, TJ extra-point man, missed his first kick of the year.

Kimball's backs didn't completely run away with the ball.

Rebels Chill Cougars, 12-8

Franklin Field, October 16—Trying to forget last year's 52-0 nightmare might have helped the Rebels to their 12-8 win over Bryan Adams. The alertness of guard Jimmy Fuller helped TJ to score its first touchdown in the last of the first quarter.

Being in a strategic spot, Fuller snared a stray pass and raced 58 yards for the score. The Cougar tally came during the second quarter with a 15 yard pass to end Gary Rike. The extra point was changed to points as the Bryan Adams team went around right end to make the scoreboard 8-6.

The second half proved to be a defensive battle. During the third quarter, Bobby Hall set up the winning touchdown play by placing the Rebels on the Cougar 1 yard line. Joe Dowd took it up the middle and corrected the scoreboard, 12-8. Again the Rebel extra point try failed.

The Rebels managed to hold the Cougars for the rest of the game with their fine defensive work. Jimmy Fuller, in leading the defensive force, received an honorable mention.

Rebels Scalp the Apaches, 33-20.

Cotton Bowl, October 22—In the crisp night air of the State Fair the Rebels scalped the H. Grady Spruce Apaches, 33-20. The Rebel attack on the Apaches came as the Rebel team moved 60 yards in 11 plays to make the first score of the game. The score came as Mitch Worley moved three yards into the end zone. Dan Gilmore kicked the first of three extra points. Rebel touchdowns two, three, and four followed directly as Bobby Hall, Frank Cain, and again Mitch Worley carried the ball over the goal line.

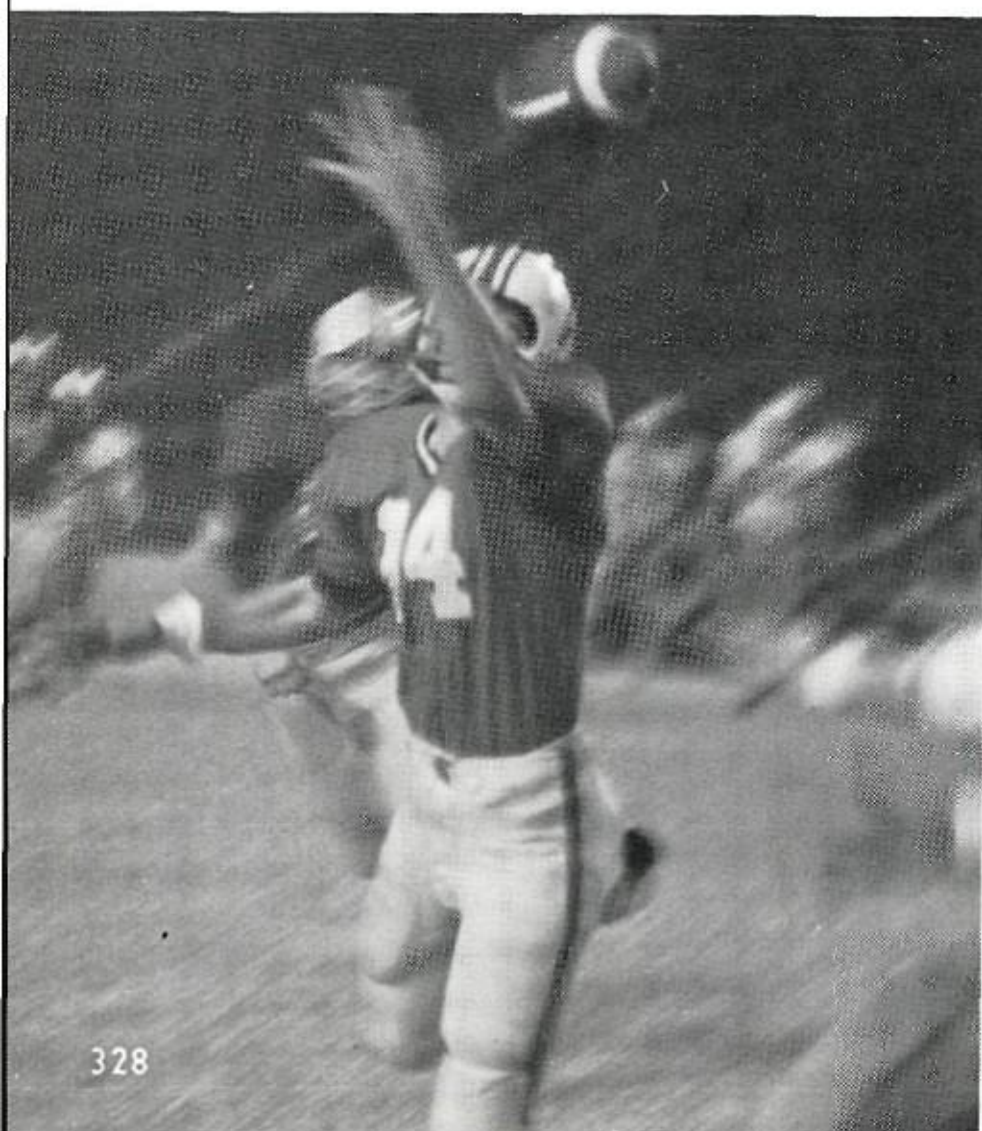

The Apaches were alert by this time and took advantage of Beau Foulk's fumble of the ball on a punt at the Rebel 12. They took the ball to the one and Rick Marshall carried it over. The extra point at-

tempt failed. The score was 26-6 at the half.

Early in the second half the Apaches fired up and moved the score once more in five plays. With a pass they got two extra points. The Rebels decided to widen the margin and moved 67 yards before Joe Dowd carried the ball over with only seven seconds remaining in the third quarter.

The final score of the game came on a 71 yard drive by Grady Spruce's Apaches. A two yard run ended the game with the scoreboard showing TJ 33—Spruce 20.

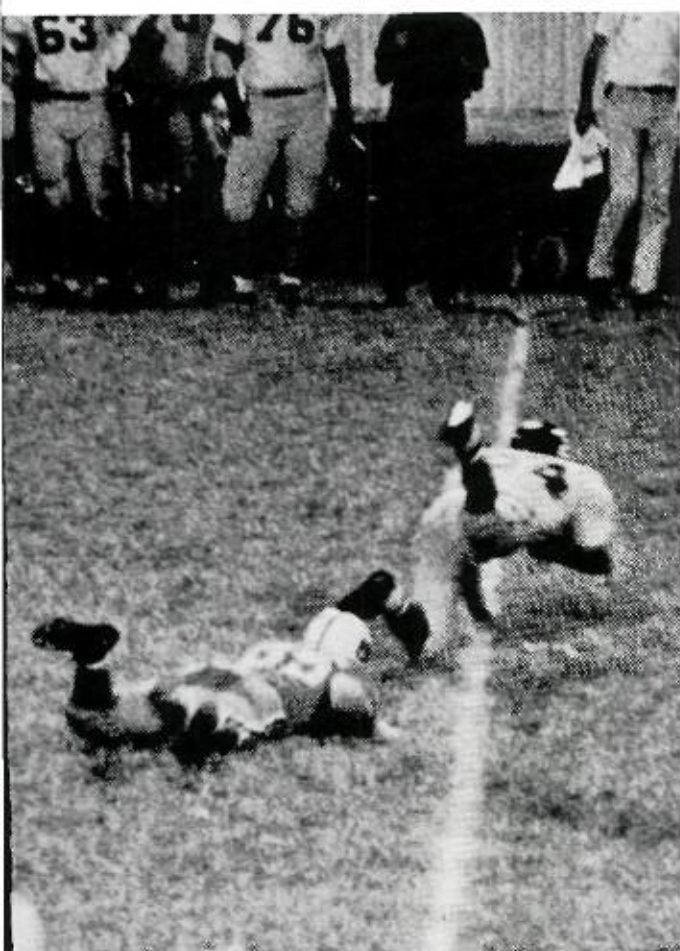

For their fine offensive work and commendable defensive showing, Bobby Hall and Dan Gilmore received the week's honorable mention.

Spartans Do It, Again! 19-6.

Forester Field, October 30—If it had not been for the Dallas Transit Company, Rebel fans would have been very much disappointed in the night's activities. With two minutes left in the game the exhaust from one of the buses was so thick that the Spartans walked off with the ball.

The first time the Spartans got their hands on the ball, the quick action of Johnny Johnson and Harold Jones gave the Spartans the first score. The only extra point of the game was a kick by Mike Beeler. Eddie Newton's agility proved successful as he sprinted 16 yards for the second Samuell touchdown. At the end

of the first half, the Rebels were not winning, 13-0.

Coming into the second half with hopes of winning, the Rebels were amazed as Newton ran around right end for the third touchdown.

TJ did manage to get the zero off the scoreboard as they weaseled a touchdown late in the third quarter. This was the last score of the game and the only one for the Rebels, thus making it seven years in a row for the Spartans, 19-6.

Dan Gilmore, for his fine line work, and Mitch Worley, for his backfield action, were the only Rebels to receive honorable mentions.

Rebels Eighth Austin Victim, 19-16.

Austin, November 7—Looking for a third out-of-town victory, the Thomas Jefferson Rebels were very disappointed at the outcome of the game.

Austin's Lanier seemed to have outplayed the sluggish Rebels during the first half, by leading the first half, 19-0. Two Lanier touchdowns were made in the first quarter by Larry Hanley and Randy Peschell. The second quarter score was made by Tommy Randall's end zone recovery.

Thomas Jefferson put their first seven points on the scoreboard with a short run by quarterback Joe Dowd. Dan Gilmore converted the first of the evening's two points. After fighting hard the whole second half, the

Rebels scored late in the fourth quarter with an up-the middle run by halfback Mitch Worley. One might say the next Rebel points showed good thinking on the part of the Austin team. With only about two minutes left in the game, the Austin quarterback downed the ball in the end zone, giving the Rebels two points and Austin a free kick.

As the clock ran out for the Rebels, the 13-AAA Vikings gained possession of the ball and increased their victories to eight. The Rebels, thus far, have a 5-4 record with the 19-16 loss in Austin.

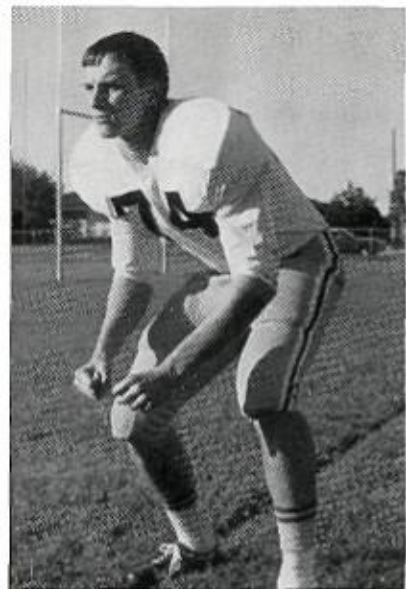

Mitch Worley was the only Rebel to gain fame, through his hard and commendable throwing.

Rebels Smothered by Panthers, 42-0.

Franklin Field, Nov. 13—Yes, it was Friday, the 13th for the TJ Rebels, when they met the fierce Panthers of Hillcrest. The Rebs had worked hard in hopes of making the Homecoming festivities even more spectacular. Each member of the Rebel team, acting as captain, approached the center of the field for the flip of the coin, as this was the last scheduled game of the year. About the only break of the evening was the Rebels' winning the toss and electing to receive.

Thomas Jefferson wasn't warmed up for the first quarter, as Hillcrest scored twice with short yardage. When the second quarter rolled around, the mighty Panthers scored again, making the talley 20-0. The only serious Rebel drive of the first half was halted

on the Hillcrest 12 yard line. Thus, at the end of the first half, the Rebels trailed 20-0.

The second half began with Thomas Jefferson hoping to make a comeback, after not having scored in the first half. The next two Panther scores came from Thomas Jefferson errors, the first being a fumble on the Rebel 12 yard line. They scored four plays later. The second score of the third quarter came when Larry Newman intercepted a pass and raced 75 yards to increase Hillcrest's score, 35-0.

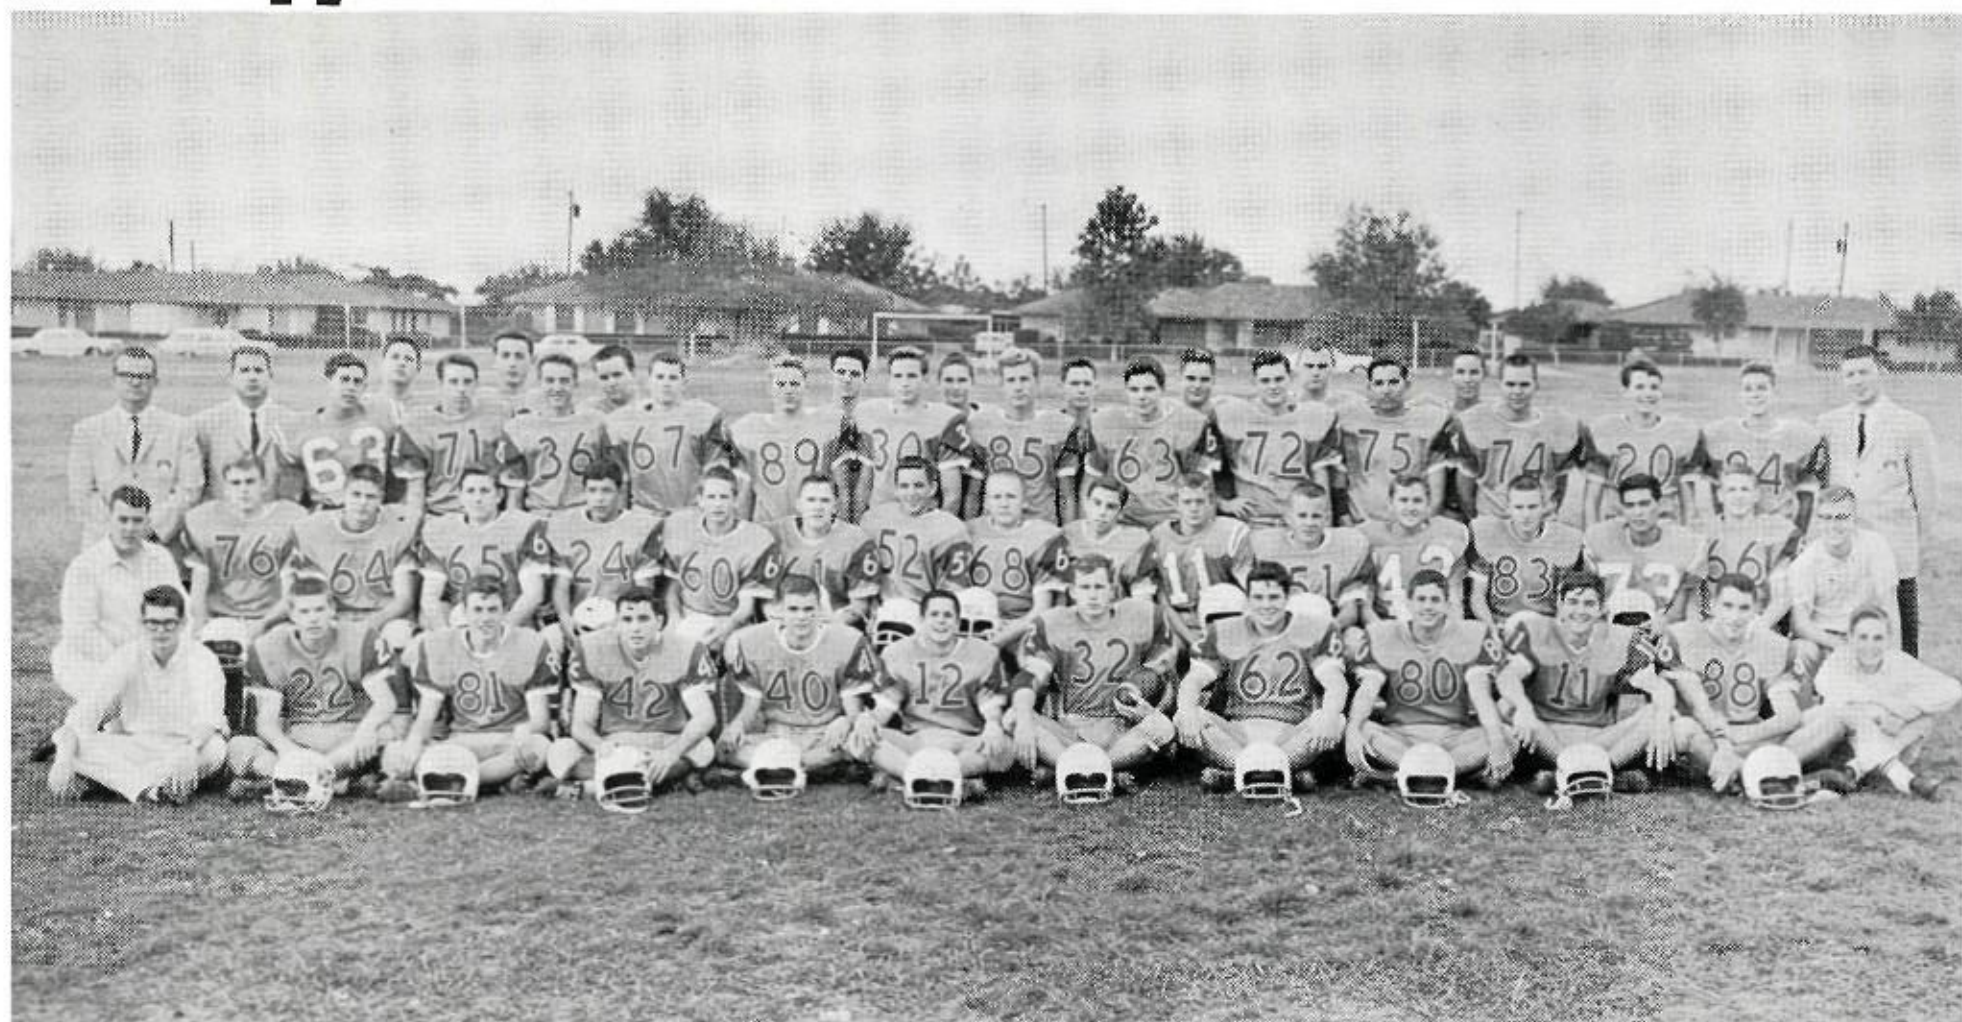

The fourth period of action produced one more score for the Panthers. As the final seconds of the Rebel football season ticked away, Thomas Jefferson found themselves losing, 42-0.

Coach Dowd

This is the second year that Coach Barry Dowd has been at Thomas Jefferson. In these two short years, Coach Dowd has helped the basketball teams to a district championship, and to the 1965 4-AAAA finals in Austin.

Coach Dowd not only teaches the players the fundamentals of basketball, but also the art of good sportsmanship and teamwork. During the basketball season Coach Dowd tries to promote a "one game at a time" feeling among the student body. He feels that the fans should be concerned with just one game at a time in order to avoid complacency or overconfidence. The student body praises Coach Dowd daily for his fine coaching and true Rebel feeling.

Basketball Queen

Pam Patton

One might think that being elected Basketball Queen of Thomas Jefferson is a dream, but for Pam Patton this dream became a reality. The team voted and selected Pam to reign as their Queen during the 1964-65 season.

Having been elected Queen of Thomas Jefferson, Pam was entitled to enter the Dr. Pepper Tournament Queen contest. As one of the climaxes of the tournament, Pam was chosen as the Dr. Pepper Tournament Queen.

The Tournaments

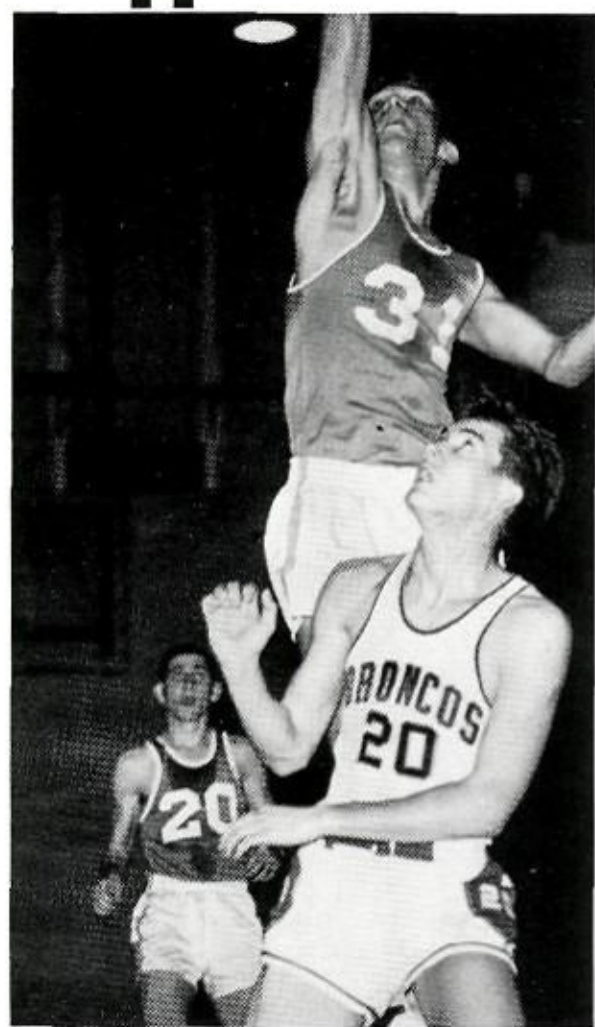

Cagers Lose in Finals, 92-76

For the second straight year the Yellowjackets of Arlington Heights triumphed over the Rebels to take the Denton Tournament crown.

TJ drew Denton's home team, the Broncos, as its first opponent. After a tough but decisive 28-20 score for the first period, TJ took a strong and continuing lead to win, 102-70. By winning this game, the Rebels advanced to the semi-finals. Birchfield and Smith picked up 22 and 17 points respectively.

The second game of the Tournament and the fight for a finals position appeared evident as TJ gained an early lead against Krum in the first period. Krum came back in the second period with a good, but not a strong enough effort to beat the Rebels of Thomas Jefferson. TJ wrapped up the game with a 98-52 victory over Krum. Andy Cargile picked up 18 points to lead the Rebels in their scoring for this game.

The third and deciding game of the tourney placed TJ against its new arch rival in basketball, the Arlington Heights Yellowjackets. After an almost evenly matched first period, the Heights team began to take the lead. The final score showed Arlington Heights taking the winning side, 92-76.

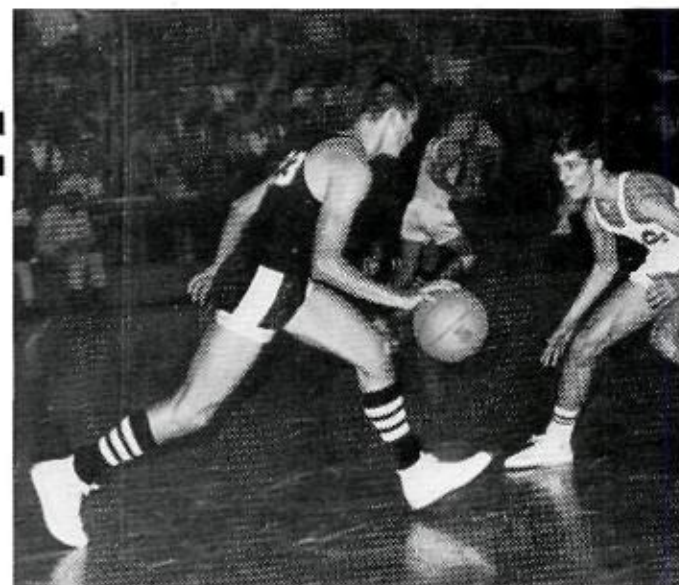

Jefferson Rebel, Doug Zetterlund (31), towered over Denton for one more rebound for TJ.

TJ Goes to Irving for a Victory

TJ's second tournament of the season took the Rebels to the fair city of Irving and to a tourney crown.

TJ met the Irving B team in the first battle and made an early bid for the prize of the Tournament. Collingsworth, Smith, and Burchfield each picked up 10 points to add to a 82-38 victory.

Irving forward held in check by Rebel Jim Stinson.

The second game placed fellow city teams, TJ and South Oak Cliff, on the courts. After a back and forth lead, TJ's Rebels maintained a weak lead, to finish the game 78-71 and to go on to the finals. Starters Burchfield and Smith nabbed 17 and 11 points.

Irving and TJ both ended up in the finals and TJ came out the victor. Irving played an encouraging game for its fans, but physically didn't come back to the courts after the 3rd period break. TJ took the game 79-61 and found a new star to add to its growing collection. Larry Smith reaped 25 points in the TJ-Denton game and was high man of the series with 46. Jim Burchfield racked up 39 for his second place title.

Larry Smith (13), playmaker for the Rebels, acts as mother hen as his baby chicks prepare to grab the rebound.

Five in a Row!!

Christmas vacation time once more proved to be a pepper-upper for the Rebel cagers as they made their annual march to the winner's circle in the Dr. Pepper Invitational Tournament.

Winning the Dr. Pepper has become about as big a habit for TJ as passing notes in study hall or being late for first period class on Monday.

This year's championship trophy is the fifth consecutive for the Rebels. That's a new record in consecutive titles, and this ties the all-time winning mark in the 32-team classic. The five wins needed to claim the crown this year gives Thomas Jefferson a winning streak of 30 games in the Dr. Pepper.

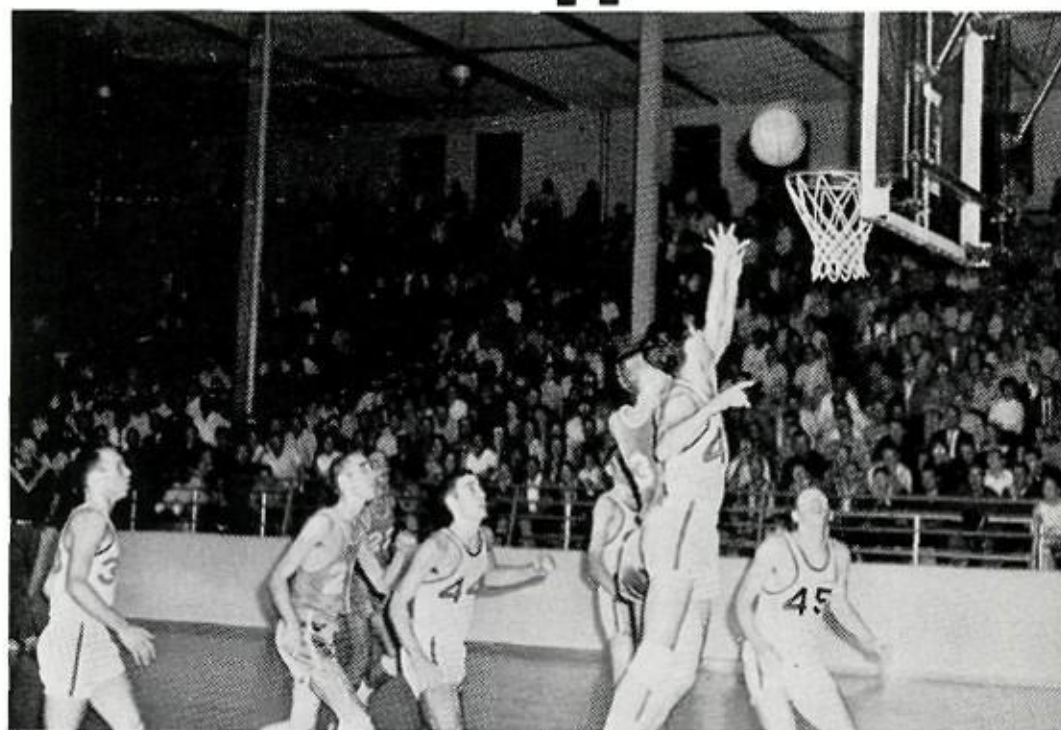

To say that the Rebels were "thinking young" or taking a "refreshing pause" borders on the sacrilegious, but you certainly can't say that TJ was "frosty" in winning the crown.

Irving, Carrollton, Abilene, Sunset and Bryan Adams all fell victims to the sizzling Rebels. The Bryan Adams win in the Championship game was especially sweet since the Cougars had defeated Thomas Jefferson the week before.

And just to make the domination complete, Thomas Jefferson walked off with three other blue ribbons in the tournament. First off, TJ entry Pam Patton was picked over a field of pretties as the Dr. Pepper queen. Two cagers, Larry Smith and Jim Burchfield, were then named to the all-tournament team. Smith was then singled out as the Most Valuable Player of the Meet. And that's everything that was up for grabs!

And if any of you have heard that nasty rumor that's out about the Rebel cage team going to be sold to CBS—don't believe it. After all, ABC's bid still hasn't come in yet.

Jim Brannan
"Dallas Times Herald"

All eyes were on the ball as this one came down.

Jim Birchfield (22) stopped by a Carrollton cager.

Rebel Jim Stinson (14) almost grabbed the backboard to add more points to the Rebel score.

Rebel Cagers Lose Zone Opener, 55-72

The Thomas Jefferson Rebels opened their 1965 zone play on a sour note. Until the night of the Bryan Adams defeat, the Rebels boasted a 13-1 record. Although the Christmas holidays had not begun, many Rebel fans were at the game to support the team in their bid for the first zone win. Larry Smith and Jimmy Birchfield were the top scorers for the team with 14 and 11 points respectively.

Jefferson Five Defeat Bryan Adams, 66-53

Playing in SMU's Moody Coliseum must have been the good luck charm of the Rebel basketball team, for the Rebels won the important clash between the two schools, 66-53. Jefferson was leading at half time by a large margin of 11 points. The Rebel team did not let this margin go to their heads as they raced on to outshoot the Cougars during the rest of the game. Top Jefferson scorers were the twosome of Jimmy Birchfield and Andy Cargile with their respective 16 and 15 scores.

Rebels Squeak By, 79-67

The Rebels played a "squeaker" when they met Hillcrest for the first time this season and just barely edged over the Panthers with a full power drive in the fourth quarter. Williamson and Kagan of Hillcrest added 24 and 16 points to their team's end score, with Goldberg and Smith taking 19 each for a TJ win, 79-67.

Panthers Bite the Dust, 75-60

The Thomas Jefferson steam roller rolled again as it wrung out the Panther skin in its second game. The Rebels led in all quarters of play and took the game 75-60. Jim Burchfield and friend, Larry Smith, picked up 15 and 14 points respectively.

Longhorns Left in the Rawhide, 113-32

The first game between TJ and W. T. White proved too much for the junior Longhorns and the Rebels would have walked off with the whole night if they had wanted to. Jerry Higgenbotham of White made good for 10 points and Juniors Craig Gickman and Steve Goldberg found the rim to pick up 13 and 12 points respectively.

In a rematch the Longhorns of W. T. White put up greater opposition than in the first game with the Rebels. But the Rebels kept White to a 4 point gain per period of play and ended the game with an unfortunate experience for the Longhorns, 70-21.

Rebels Slide By Wildcats, 81-48

The Woodrow Wilson Wildcats presented little opposition for the Rebels as TJ built leads up to 39 points. The Rebels made a mammoth drive on the Wildcats in the first period and held them to 23-5 at the start of the second period. It was TJ all the way from there to the finish. Final score: 81-48. High point men were Jim Birchfield and Gary Burck with 14 and 9 points respectively.

Trailing by a weak 6 point margin, Woodrow looked promising as she went off to the dressing rooms. But the Wildcats didn't materialize after the half as expected and the Rebels picked them off, one by one. Larry Smith added 25 points to the Rebels scoreboard and Jimmy Birchfield nailed down 13. End results showed TJ the victor, 83-66.

Apaches Lose Their Hatchets to the Rebels, 91-47

In an across-city match the Thomas Jefferson Rebels stirred up an easy victory over H. Grady Spruce. TJ gained an early lead in the first period of play and after an even rack-up of 14 points in the second period the Rebels were on the top all the way. Rich Scallorn shot for 17 points and Doug Zetterland and Gary Burck took 14 each.

The second bout with H. Grady Spruce was just as disastrous as the first game. The Rebels kept the Apaches on the losing side of the scoreboard and walked off with another victory, 69-41. High point men of the game were Andy Cargile, 16 and Rich Scallorn and Larry Smith, 14 apiece.

Rebels Squeeze By the Spartans, 68-60.

The Thomas Jefferson Rebels' first game with Samuell's Spartans proved to be one of the toughest battles for TJ. At the half the Rebels retired to the dressing room with a 1 point lead, 30-29. It was not until the end of the third period and the beginning of the fourth that the Rebels were able to pull away from the tied-up situation and go to the 68-60 victory. The 22 and 17 points gained by Larry Smith and Jim Birchfield were almost evenly matched by the even split of 38 points picked up by Jim Hawkins and George Harrison of the Spartans.

The wheels of progress in the drive for the North zone championship were brought to a stand-still in TJ's second match with the Samuell Spartans. The only lead in the entire game for TJ was its 2-0 lead in the beginning two minutes of the first period. The Spartans played a top defensive game and ended it, 69-55.

Jeff Takes Crown Again, 52-49

TJ's Rebels faced their toughest battle in the hot pursuit for the position of city champs when they met Samuell in the North Zone playoff. The game meant not only the decision of city-champs contender, but also placed the Rebels in the role of defending the north zone crown which had been held by them for four consecutive years. The tension of both teams was evident as the players on each side put in their best efforts. The Rebels acquired the North Zone Championship by winning, 52-49.

Leads to the City Play-offs

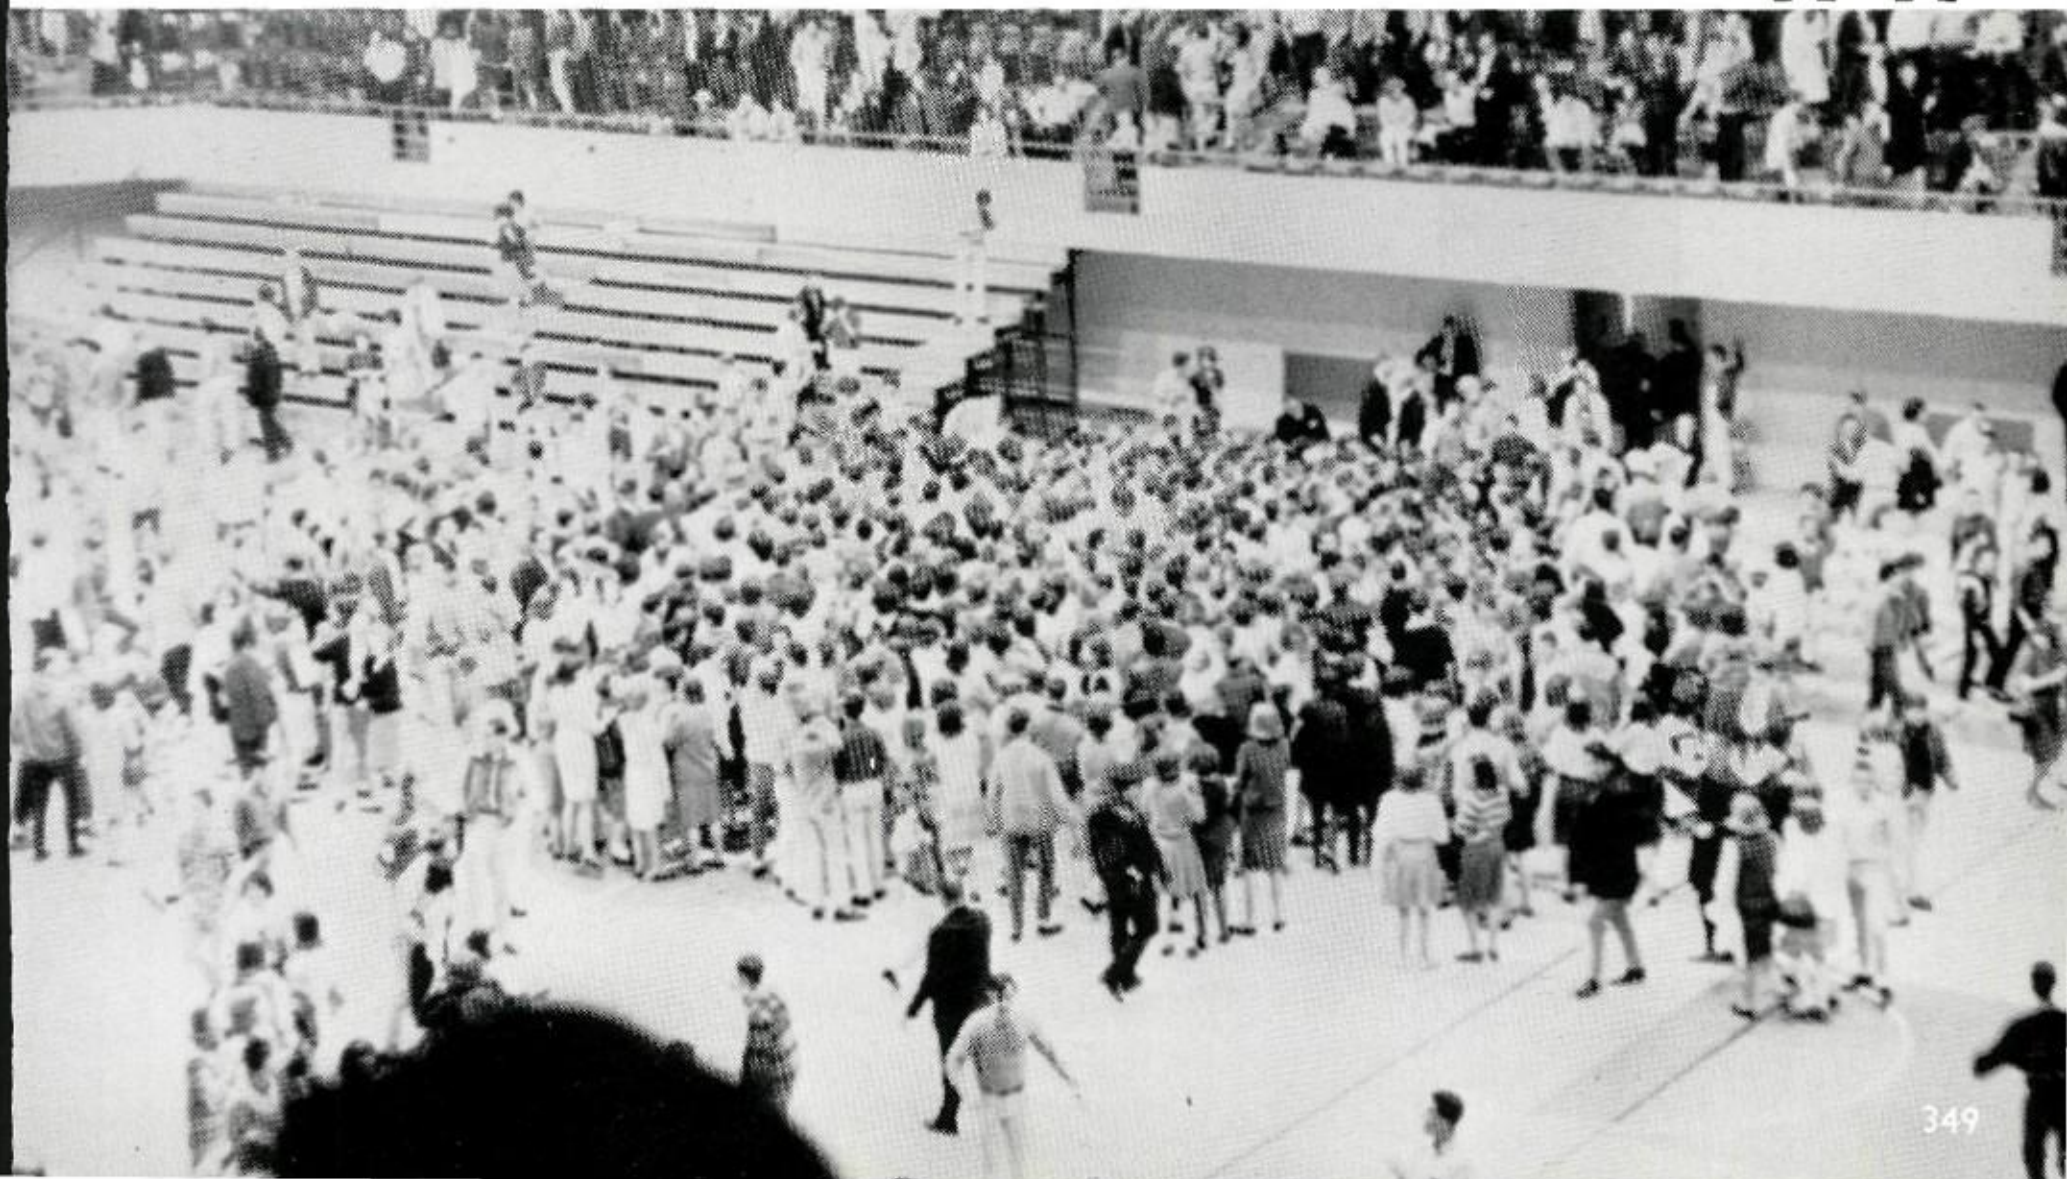

In a series of the best 2 out of 3, the Rebels of TJ literally stunned the players, coaches, and fans of Sunset High with the fast brush-off which Sunset received. The first game of the series was played in SMU's Moody Coliseum which had become a new home for the Rebels and netted TJ the first win in the series. Sunset couldn't break the constant press cast on them through most of the game by the Rebels. TJ took an early lead and maintained it throughout the game, although Sunset came within striking distance several times. The Rebels fixed a 10 point lead on the score board, 60-50, and went to the second game as the favorites.

The second and deciding game of the play-offs sent the Rebel-rousing fans of TJ home with an unprecedented victory in a City-playoff series. Dallas Memorial Auditorium, where TJ lost its bid for further advancement on the road to Austin and state-championship in '64, proved to be a much happier place for TJ in the '65 city-playoffs. The Rebels walked off with the trophy when they mashed the cold Sunset team into the court long before the sound of the half time buzzer. Evidence of a long weekend and underdog position plagued Sunset as the Rebels ended the game 71-41.

Rebel Jim Birchfield (22) took this rebound in stride.

The Rebels came back after a slow start in the first quarter to crunch Arlington Heights in the Rebel bid for the bi-district championship. Arlington Heights opened up with a full court press in the 1st quarter to end the 1st period 18-9, but the powerful Rebel spirit fought back to a 30-28 lead at the half. The second half of the game proved more prosperous for TJ as the Rebels led in rebounds and field goals. The third quarter ended with an 18 point lead for the Rebels. The Yellowjackets managed a small rally in the 4th quarter as Bill Shields and Bob Spruck of Arlington sliced the Rebel lead to 57-44, but Burchfield, Collingsworth, and Smith quickly brought the score back to the highest Rebel lead of the night 72-49. Final score for the Rebels was 73-51. Jim Burchfield led in all areas with 12 rebounds and 19 points for the Rebels. Andy Cargile hit for 16 points, Mike Collingsworth for 15 and Larry Smith for 14. Rich Scallorn finished with 10. This win left Highland Park in the Regionals as the only obstacle to a trip to the fun spot home of State Championships, Austin.

Andy Cargile (21) was helpless against Highland Park's Bill Vought (22) in this rebound.

Playing before a near capacity crowd, the mighty Rebels of Thomas Jefferson defeated Highland Park in the Regional 4AAAA championship, 53-48. Taking the lead, Jeff was winning 6-0 with only 2 minutes eaten off the clock. With 6 minutes left before the close of the half, Bill Quigly of HP tied the score 15-15, this was the only time that HP was even with the Rebels. The third period of play was TJ's battle against All-Stater Bill Vought of HP. Vought scored 20 of 22 attempts from the field and was second in rebounding for the Scotties. A serious threat appeared evident with 2 minutes left in the game. The score read TJ 51—HP 48. The Rebels went into a stall and Larry Smith was fouled. Sinking the two free throws, Larry took the heat off the last few seconds of play as the Rebels iced down the Teasippers of HP.

Rebels Fight 'Til the End

For the third time in four years Thomas Jefferson's Rebels traveled the road to Austin before closing out the annual basketball campaign.

The journey carried the Rebs to second place in the state tournament as they trounced El Paso, 73-55, in first round action before bowing to Houston Jones, 64-57, in the championship clash.

Approximately 5,000 flag waving fans followed the team to the capital city, and no one came back disappointed in the Rebels' performance.

Thomas Jefferson yielded considerable height to both of their Austin foes, but the Rebs had almost no difficulty at all in disposing of El Paso. They then fought the taller Houston crew tooth and nail for three-and-a-half quarters before losing in the final three minutes.

El Paso had two 6' 7" players under the boards, but still Thomas Jefferson out rebounded the West Texans, 44-37, as Burchfield led the way with 10.

Jefferson hit a fantastic 24 of 56 field goal attempts to post the win.

While TJ was knocking off El Paso in first round play, Houston Jones was busy breaking all kinds of records in romping to a 106-71 victory over Kingsville. This impressive win made the Houston five heavy favorites over Thomas Jefferson for the championship game.

Thomas Jefferson led throughout the first half, matched Houston almost point for point all of the third quarter and half of the final quarter, and then fell in the last moments of play.

Houston's tallness paid off in those last crucial minutes as Burchfield and Cargile were in foul trouble and had to let Jones' big boys go free to sink the easy shots.

Scallorn, the lowest scoring starter in the first game, took high point honors against Jones with 18 points. Smith had 13, Cargile and Burchfield both had 9, Collinsworth had 6. To finish out the tournament, Larry Smith and Richard Scallorn were named to the All-Tournament team.

This year's B-Team attained a 21-2 record. The team, composed of only sophomore students, is to be remembered for not only their fine record, but also for their team spirit. Basketball is a sport known for its need of teamwork and this year's Rebel team worked together. During the Christmas Holidays, Thomas Jefferson's B-Team beat Garland in the Jesuit Invitational Tournament to take the first place crown. With Coach Parsley to aid the team in their season play, the team tied with Hillcrest for the City B-Team Championship. Congratulations for a well-played season.

Track is a sport in which a person can excel with the help of his own individual initiative and the necessary guidance and instruction from the coaches. Coach Kirk, with the help of assistant Coach Ronnie Toombs, has tried to instill within the boys the desire for a higher goal and good sportsmanship. With six returning lettermen the Rebel track team has some of the necessary leaders to encourage in the younger athletes a desire for high achievement.

Golf '65

The Thomas Jefferson golf team has a much better team than the record indicates at this time. It has been a year when the golf ball bounced in the wrong direction and the putts would not fall. Jim Deloach and Phil Miller, the co-captains, did an excellent job of leadership and Mike Taylor, another senior, earned his first letter. For next season there are many prospective young golf athletes around the TJ campus. Golf is definitely a competitive sport, so any of the team could be the representatives of next year.

Basic military knowledge and leadership training are being provided for Thomas Jefferson's young men in NDCC. The skills and knowledge which the cadets are acquiring in NDCC will be of value to them not only in the armed forces, but also in any civilian occupation which they may enter.

MILITARY

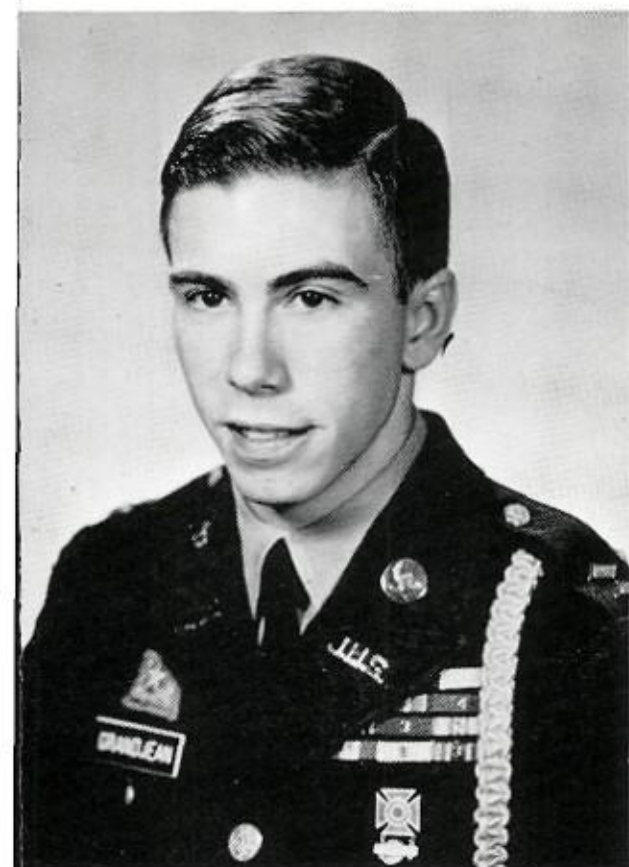

Col. Frindell meets his classes at Thomas Jefferson for the first time.

A great deal of the 13th Battalion's success can be attributed to the earnest efforts of its commandant, Col. Harold Frindell. New to the school this year, he has devoted his career to Army Intelligence. At TJ he has provided an efficient program of instruction for all cadets, supervised advancement in the NDCC, and over-all has managed to uphold the corps' high standards in a truly commendable fashion. Many thanks to Col. Frindell—as a teacher, commander and a builder of better citizens.

Immediately below the commander is the executive officer who must assist the commander in all duties. The S-1, who is in charge of personnel, keeps an accurate merit-demerit report for each cadet during each six-weeks period. The public relations officer, the S-2, provides an article for each edition of the school newspaper. The S-3 is responsible for plans and training of the battalion. The S-4 has as his responsibility the accountability and maintenance of all government equipment and supplies.

The Jefferson Rifle Platoon is an honor unit composed of the best drilled cadets in the corps. They compete with other schools, both within the state and outside of the state, in various contests. These include the Wozencraft Drill Competition, the Arlington Competition sponsored by Arlington State University, the Dallas-Ft. Worth Field Day and the Texas A&M Competition. The Drill Platoon is graded on appearance, precision of movement and originality of performance.

The Rifle Team is the other honor unit of the corps. They spend many of their free periods firing on the rifle range. They compete in a number of matches each year, including the City Gallery, Interschool Competition, the Texas A&M postal match and National Invitational I and I.

Camp Dallas veterans return.

Keeping always on the alert . . .

Camp Dallas

In its 44th and last year, Camp Dallas provided stiff competition and leadership opportunities for 400 Dallas Area Cadets. Thirty from TJ, joined by cadets from Wichita Falls, took medals in football, softball, volleyball, track, tennis and swimming. Classes ranged from first aid and marksmanship to individual combat skills. Joe Howell won second place in marksmanship and Rick Grandjean placed as best Battalion commander and second on the academic test. Pat Alexander was crowned Brigade Queen. The classes and athletic and personal relationships will never be forgotten.

Sherry -
 for a senior
 you're wonderful
 in so many ways
 you have been extremely
 helpful. There is nothing
 unusual about you. You always
 are thankful and honest. I wish
 you the best of luck at Henderson,
 and I hope you are always happy,
 with Don. Always stay happy, and
 don't ever change your personality
 you're too cute and friendly to be different.
 I'll always remember you. Love,
 Jamie King

Sherry -
 to a wonderful gal I
 have loved knowing - she
 good times we have had will
 certainly be remembered - let's
 and to sum up what your friendship
 has meant - Although we will go our
 separate ways I know we will always be
 close at heart. May every wish you desire
 come true - Bless you Always -
 Love ya tons -

Sherry,
 I'm so glad that we
 have become such good
 friends. We have had so much
 fun this last year. His gig
 is really going to be a real
 We will really love it apart. We
 have been there all to get her, but
 that is in the past. Now we have the
 future to think about. I hope you can
 I know I get back to get her. We can all go
 out again like we use to. He has said, a
 something about it. You are a great girl, a
 great friend to always have. Love,

Honey,

It has been almost a year from the day I met you; A day I will never forget. My whole life took on a new meaning a year ago and the reason ~~was~~ you. When I was overseas, I had often wondered what would greet me in my new Dallas surroundings. I often thought of finding a girl, very beautiful, whom I could be happy with. Finding you was a stroke of luck on my part for you are more beautiful and wonderful than I had ever imagined. The first day I met you I ~~hardly~~ knew you were the one, and only one, answer to my dreams. I still can't believe that such a wonderful thing ^{as you} has happened to me. Why, I guess I will never know. I suppose we were just meant to be together. But I still can't help feel that you are getting the short end of the deal. I want you to know just one thing: I will do anything I possibly can to make you happy. I know I have failed a few times already. Sometimes I just forget myself and say things I really don't mean. But please honey just remember I don't mean them. If I ever lost you I would be nothing for the rest of my life. For you make my life.

The coming year is going to be hard for the both of us. You will be away at Henderson and I will be at Arlington. There will be no more seeing each other ~~every~~ night. The weekends will be all we will have together. The time we are apart will pass slowly and the time we spend together will pass so rapidly. But the time will pass, as time does, and we will never have to worry about being apart again. That day is a long way off right now but in a year or two it will be a reality.

There is so much more I could say but you restricted me to one page so I will have to close. Before I do. I want you to never forget what I am going to say. I am yours and my love is yours no matter if it be for better or for worse For richer or poorer In sickness or in health . . . I am yours until death do us part.

All My Love Don

Sherry,

It has been alot of fun knowing you this year. Even though I hauint known you but for a short time, it seems as if I've known you for years!! Be sweet this summer, and I hope we have just as much fun at Henderson as we did at T.J.!!

Love Ya,
Brenda

Sherry,

It looks like I will be seeing you down at Henderson alot (I'll be mooching off of Janet) So I don't have to say keep in touch. Have a good time this summer and I'll see you next year & possibly before then too.

Love
Sherry

Sherry,
I don't know what I know well, but you are a great person. Best of luck always.

Sherry,
I've enjoyed knowing you
and know you'll do great
things. Good luck in the
coming years.
Love ya,
Sherry.

I have enjoyed being in
the same class with you this
year. Lots of luck in the
coming years.

Shirley Green

Sherry,
I have enjoyed
being in your class
this year. Too bad
you always make
a.d. Good luck
in the future.
Love ya!

Sherry,

It sure has been fun this year,
and I can hardly believe that
is coming to an end so quickly.
We've still got lots of fun ahead
of us, and remember that I'll
always be a friend. It's double
a little more often, huh? We
still have the prom and all-
night party to go plus our own
little parties. Remember me
next year while we're away
from each other. WHITE

Srs "65" Always,
Janelyn

Sherry - really had a
tough alto section.
You're real cute &
best of luck
always with
Don. Think of
us next year
Love ya,
Jan

Sherry,

It has been a real pleasure having
Home & Family Living with you this
year. I'll always remember the exciting
interesting classes with Brooks. Best of
luck in the future & good luck in all
you do.

Sherry,
we have really had a
lot of fun in gym this
year. I hope we will
always be friends & will
good luck next year.
Sincerely
Jan

Sherry, Sharon and I could
never have been the same
without your love, enthusiasm
talking voice. Truly you
are a wonderful girl.
Stay sweet
Love
Jan
